.40-64

High Dress Cow

.64-84

\*Active market with the buyers this week. A little bit light on cattle, but it's August, so expected. All good condition cattle selling well. Weigh cows and bulls are still exceptionally well.

\*If you don't have an extra spot to get your cattle weaned for this fall, give Jack a call.

\*Special Cow sale, Friday, August 14th at 6:00.
